

## Member code of conduct

### Distraction Community and Youth Project

In order for *Distraction Community and Youth Project* to be an enjoyable experience, we have devised a code of conduct that all young people need to agree upon. This ensures that *Distraction* is a welcoming, safe environment where everyone is clear on what is expected of members, as well as what is unacceptable.

I, \_\_\_\_\_, **agree to:**

- o Treat everybody present (young people, volunteers and staff) with respect
- o Respect the boundaries in place
- o Treat all equipment and resources with care
- o Report any antisocial or threatening behaviour of others
- o Be honest and open to discussion with workers
- o Respect differing views, beliefs and opinions when they are not harmful to others

I, \_\_\_\_\_, **recognise that the following actions are unacceptable:**

- o Racist comments, homophobic comments, transphobic comments, sexist comments (even if as a joke)
- o Sexual harassment, including “upskirting” – if you are unsure of what this constitutes, please ask advice
- o Bullying, whether physical, verbal or cyber
- o Taking photos/videos of others and/or uploading these without permission
- o Trying to contact workers outside of *Distraction’s* boundaries

I understand that if I break this agreement, I may be asked to attend a meeting to discuss this. I understand that if a resolution is not possible, I will be asked to leave *Distraction Community and Youth Project*.
